

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION

BIZUAYEHU YLIMA BAYEH,

Plaintiff,

v.

UNITED STATES CITIZENSHIP AND
IMMIGRATION SERVICES, *et al.*,

Defendants.

Civil Action No. 3:22-cv-01008-C

**DEFENDANTS’ UNOPPOSED MOTION FOR AN
EXTENSION OF TIME TO ANSWER OR OTHERWISE RESPOND**

In this case, Plaintiff Bizuayehu Ylima Bayeh seeks a writ of mandamus to compel U.S. Citizenship and Immigration Services (USCIS) to adjudicate a Form I-485, “Application to Register Permanent Residence or Adjust Status.” *See* Doc. 1 at 2. Pursuant to Federal Rule of Civil Procedure 6(b)(1)(A), Defendants respectfully move the Court for a 45-day extension of time to answer or otherwise respond to the complaint, which would extend the response deadline from May 26, 2022 to July 11, 2022. The reason for this extension request is that, on May 23, 2022, USCIS issued a request for evidence to Plaintiff in connection with the Form I-485. A response to the request for evidence is due by August 18, 2022, which constitutes the maximum period allowed for responding to requests for evidence. *See* 8 C.F.R. § 103.2(b)(8)(iv) (“The request for evidence . . . will indicate the deadline for response, but in no case shall the maximum

response period provided in a request for evidence exceed twelve weeks . . .”).¹ Upon receipt of the response to the request for evidence, USCIS will resume processing the Form I-485. USCIS expects that, by July 11, 2022, it will have either completed adjudicating the Form I-485, rendering the lawsuit moot, or at least be in a significantly better position to determine what additional steps may be necessary before completing adjudication. Plaintiff does not oppose this extension request. Therefore, Defendants respectfully move the Court for a 45-day extension of time to answer or otherwise respond to Plaintiff’s complaint, from May 26, 2022 to July 11, 2022.

Respectfully submitted,

CHAD E. MEACHAM
UNITED STATES ATTORNEY

Attorneys for Defendants

¹ Defendants note that, in response to the Covid-19 pandemic, USCIS has extended flexibilities for responding to agency requests and, before taking any action, the agency will consider a response to a request for evidence that is received within 60 calendar days after the response due date set in the request. *See* <https://www.uscis.gov/newsroom/alerts/uscis-extends-flexibility-for-responding-to-agency-requests-1>.

Certificate of Conference

I certify that, on May 23 and 24, 2022, I conferred with Plaintiff's counsel regarding this motion, and counsel stated that Plaintiff does not oppose the motion.
